“Caring Campus utilizes a coaching model to ensure the deep involvement of classified staff in student success.”

★ You help thousands of students reach their educational goals.

★ You are the first people students meet on their college journey and the last, as they receive their diplomas in the mail.

Guided Pathways is a framework that provides all students with a set of clear course-taking patterns and support services to help them navigate their community college experience.

★ You can help change MVC (culture, policies, programs and practices that impact students, faculty and classified staff).

★ You can help transform the institution, region and state.
